2 WELCOME

On behalf of the entire WA Contingent Team, I'd like to welcome you and your family to the WA Contingent for AJ2019. Except for a lucky few, the Jamboree is a once in a lifetime event. You'll get to experience the best Scouting has to offer, from the coolest activities you can imagine through to endless opportunities to meet new people from around Australia and the world – the very best way to make friends for life.

Preparing for a Jamboree takes a long time and you'll rely on the support of many people around you before you hop off the bus at the Jamboree site. That's why I'm welcoming your family on our journey together – they will be imperative in making sure you are well supported in your Jamboree journey. Together you'll share in preparations including fundraising efforts, information events, pre-Jamboree activities, and assembling gear. All these preparations will culminate in 10 days of adventure and challenge. You'll return home transformed, with new skills and friends you'll remember forever.

Your Scout Leaders, together with the Contingent Team, will be working hard to help you prepare in the best way possible as AJ2019 draws nearer. If you've got any questions after you've read this Infobook, don't hesitate to ask!

We look forward to receiving your application and formally welcoming you as a member of the WA Contingent to AJ2019!

Tom Dowsley
Contingent Leader

3 WHY GO TO A JAMBOREE?

Imagine the best Scouting experience you've ever had. Now multiply that awesome experience by 1000 – that's exactly what you'll get at AJ2019!

The Jamboree site is a small city. There is everything you could possibly imagine, including stages, activity zones, a marketplace, campsites, entertainment, a medical centre, more campsites, a transport hub and then even more campsites. The Jamboree even has its own radio and TV stations! Now imagine the possibilities when you fill that space with 10,000 Scouts – the perfect ingredients to make friends for life!

You'll experience this adventure alongside your Jamboree Troop. These 36 Scouts, together with your Troop Leaders, will undoubtedly become your friends for life. They'll be there to support and guide you on this journey of a lifetime.

There are activities galore to keep you busy right from day 1. As well as onsite activities, you'll get to explore Adelaide city and the local region, visit Woodhouse Activity Centre for an overnight expedition, and spend a day trying all the water activities you can possibly dream up. Here are just some of the activities on offer at AJ2019:

- Adelaide city adventure
- Motor sports
- Junkyard
- Circus training
- Discos
- Flying and gliding
- Flying fox
- Live comedy
- Water activities
- Bike riding
- Water slides
- Slushies
- Laser tag
- Geocaching
- Woodhouse Activity Centre overnight expedition
- Market day
- Concerts
- Nerf wars
- High ropes.

The Jamboree is amazing fun, but it is also an experience that will develop your teamwork, leadership, resilience and social skills that will set you up for life. It's learning the Scouting way – learning by doing.

A Jamboree provides a safe, structured environment for you to challenge yourself to try new adventures, develop social skills outside your normal peer groups and gain new skills working together over 10 days.

4 PREPARING FOR AJ2019 – TEN TOP TIPS

1. Get to know your Jamboree Troop

Your Jamboree Troop will be your family for AJ2019. Together with the other 35 Scouts and 5 Leaders, you'll travel to South Australia, camp, cook and have fun together for 10 days.

Take time to get to know the Scouts and Leaders in your Jamboree Troop – organise activities together, hold combined weekly meetings, set up a Facebook page, create a Troop booklet with profiles and photos of each member. You could even go camping together!

2. Start fundraising early

Jamboree is an expensive adventure, so you need to start your fundraising early. Chances are you'll find it heaps easier to join forces with your Scout mates headed for AJ2019 – it's a lot easier to fundraise if you are supporting each other, swapping ideas and keeping each other on track.

Here are some ideas to get you started:

- Bunnings BBQs
- Phone book deliveries
- Flyer deliveries for local businesses
- Chocolates
- Sell Christmas trees
- Raffle a trailer of firewood
- Car wash
- Garage/Car boot sale
- Trivia night

3. Help each other

There is a lot to do in the lead up to AJ2019. If you're a senior Scout, help the newer Scouts achieve their Pioneer Badge. Don't forget that your Leaders will be working hard to prepare too – ask them how you can help.

4. Make sure Troop Council is running the show

Your Troop Council should be involved in planning, doing and reviewing all aspects of your Jamboree preparations. Troop Council can plan activities with other home Troops in your Jamboree Troop, sort through gear, and make sure all the Scouts are fully prepared for Jamboree.

If you don't know what Troop Council is, ask your Scout Leader!

5. Get fit

The Jamboree is a physically exhausting venture. Dehydration and heat exhaustion will be the most common challenges at AJ2019. You'll be able to avoid these health issues if you have a good level of personal fitness. Here are some suggestions to help you get fit:

- Set up a weekly cycle with some of your Scout mates
- Take a 30 minute walk a few times a week
- Go for a swim every weekend
- Get involved in a team sport, if you aren't already!

6. Get to know your gear

Tried and tested gear is the best. It can take a few camps to get used to your personal gear kit. Make sure you know how to use all your gear before you come to the Pre-Jamboree Camp. Your shoes would be well worn-in. You don't need top of the range gear for a Jamboree, but you need to know how to use and pack your own stuff.

7. Gather badges to swap

Badge swapping is a big deal at AJ. You'll want to collect a good set of badges you're willing to swap before you head to Tailem Bend.

Old group or district badges are a good start – ask your Scout Leader if there are any sitting in the hall that you can take to Jamboree.

8. Make your payments on time

Making payments on time will ensure you receive your complete set of merchandise on time.

If you're having trouble making your payments, get in touch with Debbie by emailing admin.aj2019@scoutswa.com.au

9. Update your medical details

It is imperative that your medical details are up to date in the online application system. The Jamboree Medical Centre won't be able to provide complete healthcare if key information is missing from your application. This includes special dietary requirements, additional needs and medication routines.

10. Stay up to date

Follow us on [Facebook](#), read your monthly Contingent Update, and stay in touch with your Jamboree Troop Leader so you have all the latest Jamboree details.

5 AJ2019 CHILD SAFE MESSAGE

Everyone in Scouts, youth and adults alike have the right to feel safe and be protected from abuse. No-one is allowed to threaten you, hurt you or touch you in a way that makes you feel uncomfortable, unsafe or afraid.

A Scout is respectful and this part of the Scout Law applies to yourself and all others at the Jamboree.

All Leaders are trained to help you if you feel unsafe or abused in anyway. If you do feel unsafe or threatened, or you see/hear something that causes you concern, please speak to a Leader or a Rover on an activity. Your concerns will be taken seriously.

Your feelings will be listened to and the information you provide will only be shared with people who can provide support and protect you.

If you are not sure what to do, please talk to someone at your Contingent Headquarters. If you feel your contingent HQ has not been able to assist you may talk direct to the Child Protection Team at Jamboree Headquarters!

Please also talk with your parents as soon as you can.

7 YOUTH LEADERSHIP

Youth leadership is an essential part of a successful Jamboree experience. The Jamboree program has been designed with the assumption that Jamboree Patrols will be effective from day one – they will be able to make decisions and plan, do, review their Jamboree adventure as soon as they arrive at the Jamboree site. As such, it is imperative that Patrols are sufficiently prepared and well structured, with a capable Jamboree Patrol Leader (JPL) and Assistant Jamboree Patrol Leader (AJPL).

7.1 CONTINGENT COUNCIL

Patrol Leaders nominated by each Troop will come together to form the Contingent Council.

The Contingent Council will be a supportive place where Patrol Leaders can share ideas, solve problems and provide mutual support. Patrol Leaders will always find a friendly ear at Contingent Council gatherings.

The Contingent Council will meet prior to, during and after the Jamboree to provide the Contingent Team with feedback about their Jamboree experience.

The Assistant Contingent Leaders, who are youth leaders on the WA Contingent Team, will lead the Contingent Council.

7.2 JAMBOREE TROOP COUNCIL

Ensure Troop Council is part of your Jamboree organisation. Jamboree Patrol Leaders (JPLs) are part of the Troop leadership team and should participate in planning prior to the Jamboree and during the Jamboree. Troop Council is essential to Troop management and should be held daily, at a consistent time each day.

Your JPLs are special, so make them feel special!

At a minimum, the Jamboree Troop Council should be involved in making decisions around:

- Patrol formation
- Creation of the Duty Patrol roster
- Creation of the menu for Pre-Jamboree Camp
- Creation of the activity program for Pre-Jamboree Camp
- Creation of the Troop Code of Conduct (time allocated at Pre-Jamboree Camp)
- Troop badge design
- Troop gateway design.

7.3 TROOP CODE OF CONDUCT

A Troop Code is a way of expressing how members of members of the Troop are going to act, what acceptable behaviour is, and how the Troop will operate. Every Jamboree Troop should have a Troop Code developed by its members. You'll have time allocated to create your Troop Code at the Pre-Jamboree Camp in September.

A Troop Code is about:

- How we treat ourselves and each other
- Respecting our environment
- Looking after possessions and property – both ours and everyone else's.

In many ways, it's how we live by the Scout Promise & Motto!

How to Develop Your Troop Code

Plan:

- Read through these instructions; make sure you understand all of it.
- Decide how you're going to break up the task and make sure the leaders of each small group know what they're doing (Patrol Leaders).

Do:

- Patrols meet and discuss the Scout Code. They should cover the key areas that are important to them and draft ideas for inclusion in the whole Troop's Code. Make sure that everyone has the opportunity to provide input.
- A foundation for the discussion could be based around the Scout Promise and Law.
- It may help to think about grouping your thoughts into 'What We Do' and 'What We Don't Do', but remember that it is up to you how you present your Scout Code. Would pictures help? Does your constitution already have a helpful basis you could start from? There are no right or wrong ways to do this!

Review:

- The Troop Council then comes together to collate all of the teams' feedback. Don't forget, it's hard to follow a document that is too long or hard to remember! Make sure that your Scout Code covers the key areas:
 - respecting each other
 - building resilience against bullying and harassment
 - the environment, and
 - possessions / property.
- Present the document back to the whole Troop and make sure everyone is happy with what is included.
- Have everyone, including the Leaders, sign the Code to say that they will live by it.
- Display your Troop Code up on your Troop bulletin board for everyone to see!

7.4 PATROL LEADERS AND ASSISTANT PATROL LEADERS

The appointment of effective and capable Jamboree Patrol Leaders is critical to the success of your Jamboree Troop.

All Scouts in a Jamboree Troop should be given an opportunity to have a say in who will become JPLs. There are numerous ways this could be achieved (this is not an exhaustive list):

- Have Scouts nominate themselves for the role of JPL, provide a short biography, and then ask all Scouts in the Troop to vote.
- Have home Troop Leaders nominate Scouts for the role of JPL, have nominated Scouts provide a short biography, and then ask all Scouts in the Troop to vote.
- Have Scouts come up with a list of criteria describing a great JPL, and then use these criteria to identify and appoint the JPLs.
- Have a combined Troop Council meeting with the home Troop Patrol Leaders, and ask them to decide on who the JPLs should be.

Usually, JPLs will be either PLs or APLs in their home Troop. It would be advantageous for JPLs to have completed the Scout Leadership Course, although it shouldn't be considered a compulsory prerequisite.

You might like to consider some sort of formal ceremony to invest the Jamboree Patrol Leaders, in recognition of the considerable responsibility afforded to the JPLs.

Once JPLs are appointed, the Jamboree Patrol Leaders can identify Assistant JPLs. You may like to have the JPLs choose the AJPLs after the Patrol lists have been created.

In some circumstances it can pay to have some flexibility around Jamboree Patrol Leaders. For instance, a JPL may choose to 'step-back' for a day or two at the Jamboree to give the AJPL an opportunity to lead. This should be encouraged, especially given the demanding nature of the JPL role.

7.5 PATROL FORMATION

Once the Jamboree Patrol Leaders have been appointed, they should be provided with an opportunity to create the Jamboree Patrols. As much as possible, the JPLs themselves should take ownership for creating the Patrol lists.

Of course, it will be important to take into consideration personal and confidential issues around the placement of Scouts in Patrols. In some circumstances, the JTL will need to maintain the confidentiality of such requirements and will need to explain to the Troop Council that certain combinations of Scouts may not be possible for confidential reasons.

7.6 PATROL LEADER TRAINING DAY

OVERVIEW

This event is intended to give Scouts an understanding of what being a Jamboree PL might be like, to assist potential Jamboree PLs prepare for leadership roles at AJ2019, and to enable Scouts to get to know each other, especially other PL's in their Jamboree Troop. The day will include a range of activities to help prepare JPLs for AJ2019.

Time: 8:30am till 4:00pm.

Date: Sunday 14 October 2018.

Venue: 1st Wembley Downs Scout Hall.

WHO SHOULD ATTEND?

Each Jamboree Troop can register up to eight (8) Scouts to attend. These Scouts should be your Jamboree Patrol Leaders, plus two other Scouts (most likely Jamboree Assistant Patrol Leaders) who may take on the role of Jamboree Patrol Leader at some stage during the Jamboree.

Each Jamboree Troop should also send one (1) Troop line leader.

ROLE OF ADULT LEADERS

Jamboree Troops are requested to each provide one (1) line Leader to assist with supervision. This is a great opportunity to observe your Jamboree Troop Council and devise strategies with them to ensure your Jamboree Troop has a positive experience at AJ2019.

ACCOMMODATION

Accommodation will be arranged for regional participants who need to arrive in Perth on Saturday 13 October 2018 to attend the Jamboree PL Training Day.

Participants will need to bring their own bedding and personal equipment. A small amount of camp stretchers may be available for those travelling on regional airlines with restricted baggage limits.

CATERING

Lunch, morning and afternoon tea will be provided for all participants.

Dinner on Saturday evening and breakfast on Sunday morning will be provided for regional participants requiring accommodation in Perth on Saturday evening.

Dietary requirements listed on participants' Jamboree application will be catered for. Updates to dietary requirements can be made by logging into the online application system at applications.aj2019.com.au.

TRANSPORT

Transport will be arranged for participants who reside in the following regional areas: Albany, Esperance, Geraldton, Karratha, and Newman.

DRESS

Attendees should wear comfortable casual clothes (such as their group activity shirt) with their group scarf.

ATTENDANCE

Jamboree Troop Leaders must complete the online form available at <https://goo.gl/forms/GJLXtV5SUXe9o1vq1> by 5:00pm Wednesday 3 October 2018.

Transport and accommodation arrangements will be based on the information provided in the online form.

The Contingent Team will distribute A5 and Y3 forms to Jamboree Troop Leaders for circulation to attending Troop members.

CONTACT

The contact for this event is Tom Dowsley, Contingent Leader. Tom can be contacted by emailing cl.aj2019@scoutswa.com.au.

7.7 DUTY PATROL

It is essential that the Duty Patrol system works properly – firstly to give the Scouts the responsibility and experience of preparation of meals in these conditions and secondly to ensure that the Leaders don't take over.

The day before a Patrol is the Duty Patrol, the Patrol Leader should be briefed on what is expected. For example:

- Rise at an agreed time for a quick wash, and prepare breakfast for serving at the agreed time (remember to allow for Patrols heading offsite).
- Wash and clean the kitchen and eating table area, cooking utensils and appliances to maintain good hygiene.
- The Duty Patrol should not leave the site without permission from the Duty Leader as this can cause organisational difficulties.
- Pick up rations from the Food Distribution Point at nominated times. It will be necessary to provide containers to carry rations back to camp.
- Early afternoon showers assist in enabling the Duty Patrol to attending evening activities after the evening meal clean up.

7.8 OTHER OPPORTUNITIES FOR YOUTH LEADERSHIP

There are many other opportunities for youth leadership in the Jamboree Troop. These include:

- Appointing a Troop Treasurer who is responsible for maintaining records of Scouts' pocket money. With support from the AJTL Administration, the Troop Treasurer could take requests for pocket money from Scouts at a set time each day, and keep a record of pocket money balances for each Scout.
- Appointing a Scout to arrange design of the Troop badge.
- Appointing a Scout to arrange design of the Troop shirt (if you choose to arrange one).
- Appointing a Scout to arrange a pre-Jamboree activity to provide opportunities for Scouts to get to know one another.
- Appointing a Scout to organise the Troop market day activity, with support from the AJTL Activities.
- Appointing a Scout to create a Troop site map, displaying the location of the sleeping tents, gateway, kitchen, dining shelter and store, with support from the AJTL Logistics.
- Appointing a Scout to create a Troop gear list, with support from the AJTL Logistics.
- Appointing a Tent Captain for each sleeping tent, especially if you organise the tents in age groups. These Scouts would be responsible for keeping the tents in an orderly condition, and can be used to facilitate tent inspections.

8.2 ONSITE ACTIVITIES

One of our many action packed onsite activities this site will include shooting, soccer, football, golf and heaps of other sports disciplines so everyone can try something new.

Rock climbing, abseiling, crate stacking, Flying foxes, haystack climb, water traps and all things adventurous and adrenalin. If that's not enough perhaps you'll enjoy the obstacle course, or the mountain bike trek to explore the 250-hectare Jamboree site.

Designed to be the rest and recovery site this space will feature some giant board games, escape rooms, a movie theatre and performing Arts experiences.

Another adventure filled activity site featuring a large obstacle course that includes getting wet... very wet! When you are not on the crazy fun obstacle course you'll be at Beach Volleyball, a massive water slide or performing some wicked tricks on BMX bikes.

Appealing to the inner nerd in most 11-14 year olds, the Technology house is set to provide exciting demonstrations from the like of local universities, defence, industry and maker spaces. You can expect to see cutting edge robotics, computer programming, drone construction and flying, Virtual and Augmented reality, Radio communications and lots of other very techie type stuff.

The trades activity site will have a number of hands on 'come and try' type activities that will provide a taste for of a number of trades and each site will teach the scouts a little something that they'll be able to apply when they get home.

The centerpiece of AJ2019 will be our meticulously planned and crazy fun mall, only 2 minutes' walk from the subcamps the Allawah mall is the place to be. Hang out in the 'Glamping' area, go to the internet cafe, checkout the merch stand, party on at the radio station\second stage, Checkout each Contingent HQ packed with fun activities and plenty of info about their state, Head on over to see the national team and learn about our new youth program. There is SOO much to do at Allawah Mall you'll need to visit every day to see what's changed.

The fun never ends! Each day and night, a range of entertainment including concerts, comedy, Scouts performing arts, talent shows, and more! Each day your troop will also receive the daily Jamboree Newspaper, which will include great stories about what is happening at the Jamboree, jokes and puzzles, and the entertainment schedule. Tune into the Jamboree Radio Station, BendFM, for 24/7 entertainment.

8.3 OFFSITE ACTIVITIES

An overnight expedition within the Jamboree! Scouts will head off to Scouts SA's famous Woodhouse Activity Centre campsite for a full 24 hour period where they will engage in 'back to basics' camping and focus on activities like pioneering, navigation, camping, lightweight cooking and problems solving.

Around 1300 Scouts each day will enjoy the 35 activities on offer at Woodhouse. Tents will be provided for Scouts at Woodhouse; however, they will need to take sufficient sleeping gear as well as clothes and two pairs of shoes (1 pair for muddy activities).

A HUGE 3 part full day offsite activity. Metro Mania will see Scouts dropped in the Adelaide CBD and engaging with the local areas. They will then have the choice to end their day at either Pt Adelaide, a town steeped in maritime history or at Glenelg for a more low key afternoon exploring the beachside town.

Set on the quiet waterfront of the Wellington Marina, we have unrestricted access to a wonderful privately owned piece of Murray River real estate. This site has lush green grass, substantial onsite facilities and most importantly lots of water access with little/no other water traffic. Here you'll get crazy on the water building rafts, rowing, dragon boats, swimming and learning about the local Murray River ecosystem.

8.4 EXTRA EXPERIENCE ACTIVITIES

Scouts wishing to participate in extra experience activities must apply through the online application system prior to the Jamboree. Paperwork must be completed and payment made prior to departure for the Jamboree. There are only limited spots available, so Scouts are only permitted to do one extra activity.

JAMBO-AIR

Gliding

Do you want to fly a plane? AJ2019 is offering a 20-minute flights in a 2 seater motorised glider. The JAMBO-AIR team at AJ2019 is offering flights in 2-seater (side-by-side) motorised gliders. Our pilot will handle the take-off and landing, but during the flight you will have the opportunity to take over the controls of the aircraft, and fly it yourself. The pilot will provide instruction on controlling the aircraft during the 20-minute flight. We encourage you to have a go at this, but if you decide that you don't like it, our pilots are always more than happy to fly. With the airfield on-site, you will have the opportunity to see the Jamboree site, and surroundings, from the air.

Restrictions & Requirements

- Weight – 90KG
- Accessibility is limited
- There is a Gliding Federation of Australia "9 Day Introductory Membership Application" form that must be completed and signed by a parent or Guardian.

Cost: \$120ea

Full Throttle

Ever wanted to do laps of a real racetrack in a real racecar? Join us at The Bend during the Jamboree to get on track as a passenger with our team of highly experienced drivers. All the drivers are CAMS licenced and many have championship trophies to prove how quick they are. So... Helmet on, Harness in, ready? & GO - let's see if we can catch that car in front in this 15 minute on track experience.

*** Please note - applicants lodge an 'expression of interest' as each applicant needs to be approved by Motorsport to participate. The motorsport activity will not be visible in the application system if the applicant is under 12 years of age.*

FULL THROTTLE

Restrictions & Requirements

1. Physical - We cannot provide rides to anyone who cannot get into or out of the car by their own efforts. While this would normally be related to those in wheelchairs, it may also relate to anyone with a mobility disability, broken arm, leg etc. Any acquired injury from any other activity during AJ2019, like damaged ribs, also creates an exclusion. We have no height/weight restrictions but we do have an **age restriction of no one under 12 at time of ride.**
2. CAMS Medical - ALL Passengers must complete a CAMS medical declaration

Anyone that says yes to any of about 10 items may be excluded or asked to provide additional proof from their own doctors that they are healthy enough to participate. Additional applications and disclaimers will be sent to participants that have been accepted to attend AJ2019. Participation in this extra cost activity is subject to vetting by the Motorsport against the CAMS requirements.

Cost: \$50ea

8.5 CELEBRATION DAY

The event previously known as Market Day/Visitors Day/Future Scout Day will be known as Celebration Day at AJ2019.

Market Day (also known as visitors day) will be held on 12 January 2018. This is the only day visitors are permitted onto the Jamboree site. Visitors will need to pre-register in order to attend.

Subcamps will have areas for Troops to set up their stalls and be given specific times to peddle their wares. During this day, each Jamboree Troop is asked to organise an activity for other Troops and visitors to enjoy – this activity should be fun and designed to amass 'Jamboree Cash'. The equipment for your activity needs to be simply and easy to transport to the Jamboree, and you will need to bring it with you amongst your Troop gear (i.e. packed into your blue boxes).

8.6 BADGE SWAPPING

This is an important Scouting tradition, promoting interaction between members of different Contingents and expanding Scouts' knowledge of the breadth of Scouting.

It is desirable to set some fundamental swapping principles and guidelines during pre-Jamboree activities. For example, swapping one for one, like for like, honest trading, no buying or selling except from recognised outlets such as Contingent Headquarters, Badgers Club. It is best to make some suggestions to Scouts about the most popular swap items, e.g. district and Contingent badges, name tapes, troop scarves etc. and the value/importance of some badges that they may not wish to swap. At no time should a youth member feel that he/she cannot say no to swapping a badge that they want to keep.

Leaders will encourage badge swapping, provide time for Scouts to undertake this activity and welcome badge swappers from other Troops onto the site (after all social interaction is what the Jamboree is all about).

8.7 GATEWAYS

Gateways are a traditional Jamboree feature and offer a golden opportunity for the Scouts to identify their site and have something to be uniquely proud of. Preplanning is essential and the design should reflect the interests of the localities of Troop members, the Jamboree theme and should not be too parochial. Important features to be included are the Troop number and the home troops of the Scouts and Leaders.

9 ADMINISTRATION

9.1 JAMBOREE TROOPS

In most cases, Western Australian Jamboree Troops will consist of 36 Scouts (six patrols of six members) and five adult Leaders. There will be no service or activity Leaders allocated to a Troop for accommodation purposes. These leaders are accommodated in a special Leaders sub-camp.

Troop campsites will be approximately 20m x 30m. Water taps and sullage pits will be located at the intersections of every 6-9 Troop sites with two taps per sullage point.

9.2 COSTS

The cost for Scouts will be \$2,450. For all other participants, it will be \$1,685. This includes both the Jamboree Fee and the Contingent Fee.

	Scouts	Venturers	Adults
First Payment due with online application	\$500	\$350	\$350
Second Payment due 30 April 2018	\$500	\$350	\$350
Third Payment due 30 June 2018	\$500	\$350	\$350
Fourth Payment due 31 August 2018	\$500	\$350	\$350
Final Payment due 30 September 2018	\$450	\$285	\$285
TOTAL	\$2,450	\$1,685	\$1,685

You might also want to allow for some pocket money – \$10 a day is sufficient. Some Troops may also organise a Troop shirt, so allow around \$20-\$30 for that.

9.3 APPLICATIONS

Applications closed on 31 May 2018. However, the Contingent has limited capacity to accept additional Scouts, and unlimited capacity to accept additional Venturers, Rovers and Leaders who'd like to take on Activity and Service Leader roles at the Jamboree.

9.4 ELIGIBILITY CRITERIA

9.5 ABSENCES FROM JAMBOREE

The procedure for approval of absences from the Jamboree will be advised prior to the Jamboree.

No youth members are to leave site without prior approval from Contingent HQ. The service station 'On The Run' is out of bounds for youth members.

9.6 BANKING AND POCKET MONEY

ATMs will be available at the Jamboree site. The provider is to be confirmed.

Arrangements for management of Scout pocket money will be provided shortly.

9.7 COMMUNICATION

9.7.1 TROOP FACEBOOK PAGES

Facebook pages have been set up for each Jamboree Troop. These are intended for the sharing of information between parents/guardians, and provide a forum for asking questions about the Jamboree experience. It is also a great way to include parents in the Jamboree by posting photos while on site.

9.7.2 CONTACT WITH PARENTS/GUARDIANS IN AN EMERGENCY SITUATION

In the event of an emergency, the Western Australia Contingent Headquarters will contact parents/guardians or families if this should be necessary. This will apply to all contacts resulting from incidents while Contingent members are in transit or at the Jamboree.

The Contingent Leader or their delegate is responsible for making calls in these circumstances because he/she will decide when sufficient detail and facts are known to be able to justify the contact. Our aim is not to scare or mislead parents/guardians or families.

Therefore, please stress to your Scout that they must report any sickness or accident to one of their Leaders and should not call home. This is particularly important in the case of off-site activities.

9.7.3 EMERGENCY MESSAGES

As you can appreciate, it will be difficult for messages from home to be given to Scouts and Leaders at the Jamboree campsite. Parents/guardians and families should understand that all messages from home should be directed to the Western Australia Contingent Headquarters.

The following telephone number will be available for external queries or enquiries for the Jamboree, in the immediate days preceding and during the event: (08) 7534 6000.

The Contingent HQ team and the Jamboree Administration team cannot handle messages of a general nature. In these cases, Scouts and Leaders will have access to public telephones from which to make contact with people at home. Suitable times should be arranged as necessary before leaving for the Jamboree.

9.7.4 MAILING ADDRESS

Parents are encouraged to send care packages via mail – Scouts experience a great sense of excitement upon receiving a package through 'snail mail'.

Mail should be addressed to:

Recipient full name
 Recipient Troop number
 Western Australia Contingent
 25th Australian Jamboree
 PO Box 40
 TALEM BEND SA 5260

Post boxes will be available in the Allawah Mall for outgoing mail. Stamps will be available for sale, although Scouts may like to take a few self-addressed envelopes with pre-attached stamps to write letters home.

9.7.5 SCOUT TELEPHONES & INTERNET CAFE

Telephones will be available in the Mall for Scouts to phone home. Rates are still to be determined by the supplier. The Jamboree organisers are developing a process to provide Scouts with a limited up-front amount of credit.

The Internet café will be located in the Mall. Approximately 40 computers will be available and Internet access will be limited. The Internet café will be open 0900-1200, 1400-1700 and 1830-2130 daily (times to be confirmed).

Parents/guardians: please don't expect your Scout to call home each day. They'll have a very full program and won't have time to call each day. There will be queue for the phones at the peak periods, which will create stress for a Scout who thinks mum or dad are expecting a phone call. It's best to have no planned phone calls, and just treat any that you get as a bonus. It's not unusual for phoning home to actually trigger a bout of homesickness.

9.7.6 MOBILE DEVICE GUIDELINES

The Western Australia Contingent acknowledges that technology has become an important tool in our society. However, the Contingent also recognises the welfare, child safety, security and logistical risks around mobile technology.

The Contingent recommends that mobile devices be left at home and not be taken to the Jamboree. An inexpensive digital camera with spare batteries is the best way for Scouts to record their Jamboree experience.

Noting this, some Jamboree Troop Leaders may wish to give Scouts an opportunity to take a mobile device. The Contingent has released these guidelines to assist Jamboree Troop Leaders, Scouts, and their parents/guardians in making a decision about whether to take mobile devices to the Jamboree.

- The Contingent will accept no responsibility for lost, stolen or damaged mobile devices.
- There will be no charging facilities made available to Scouts at any time during the Jamboree.
- Large portable electronic devices such as laptops, iPads and portable electronic gaming devices should not be brought to the Jamboree.
- Troop Councils are responsible for determining specific rules for use of mobile devices in their Jamboree Troop. The Jamboree Troop Leader should provide advice to the Troop Council.
 - For example, the Troop Council may decide that mobile devices can be accessed after dinner and before bedtime each day. At all other times, mobile devices should be securely stored in the Troop safe.
- Jamboree Troop Leaders may request that Scouts and their parents/guardians sign an informal contract regarding use of the mobile device at the Jamboree.
- Scouts are not to use their personal electronic device in a sleeping tent, inside toilet/shower facilities or in other changing areas. Scouts who choose to break this rule will find their device confiscated for the duration of the event, and, depending on the circumstances, may be asked to leave the Jamboree. Confiscated devices will be stored at Contingent HQ and handed back to parents at the end of the Jamboree.

9.8 PERSONAL TRAVEL INSURANCE

The Contingent has purchased personal travel insurance for all Contingent members. Further details regarding the specific inclusions of the policy will be provided shortly.

10 LOGISTICS

10.1 JAMBOREE SITE

The Jamboree will be held at Tailem Bend Motorsport Park, located approximately 90 minutes east of Adelaide. The site is a brand new \$100 million motor sport facility featuring a V8 racetrack, airstrip, and associated hospitality facilities. The nearest township is Tailem Bend, which is about 10 minutes from the Jamboree site.

The site will consist of four youth subcamps, a Venturer sub-camp, an adult subcamp, a mall area consisting of Contingent HQs, and a range of on-site activities. Western Australia Troops will be spread across the four youth subcamps.

A site map is available at this link: <http://aj2019.scoutswa.com.au/wp-content/uploads/2018/08/AJ2019-Site-Map-July-2018.pdf>

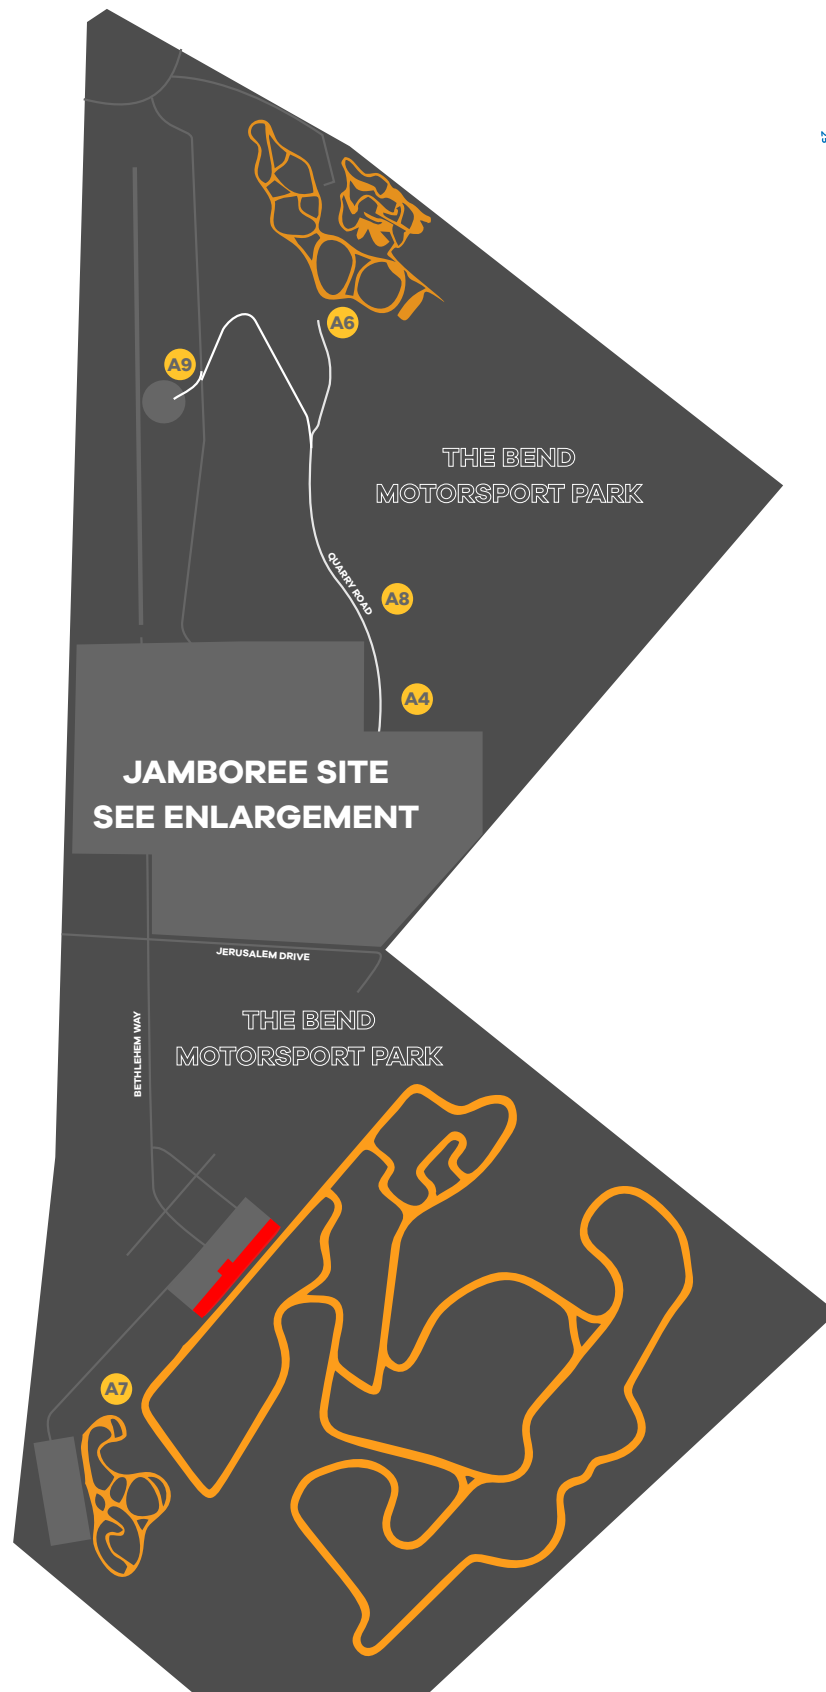

Perimeter fencing will enclose the entire Jamboree site, with gates staffed or locked. All persons onsite must wear visible identification (Jamboree ID tag). Visitors will be checked-in and out, and be escorted around the Jamboree site.

The site is a functional airfield – under no circumstances are drones to be flown on the home site. Jamboree organisers will employ a professional licensed drone pilot for videography.

The table below summarises the facilities and services provided at various locations across the Jamboree site.

10.1.3 CLIMATIC CONDITIONS

Tailem Bend in January is known for its hot weather, with temperatures reaching 30° to 35° for prolonged periods of time. It can also be rainy at this time of the year so make sure you bring wet weather gear.

At all times, all Jamboree participants must remember to be sun smart by wearing a high protection sunscreen, hat, sunglasses and shirt at all times.

Of an evening, Tailem Bend can become fairly chilly. Although temperatures are unlikely to drop to significant lows, the change from the heat of the day can make the evenings feel cooler than they often are. It is advisable therefore to ensure you have adequate clothing to accommodate hot days and cool nights.

The Jamboree site is also exposed to wind, something to consider when planning tent and shelter anchorages. The site is largely limestone, requiring long hardened steel tent pegs. Pegs are easy to insert once through limestone layer.

10.2 SUB-CAMPS

Each Jamboree sub-camp has a theme to assist Troops develop their identity. Youth camping will be located in sub-camp A-D. Venturer camping will be in sub-camp E. Service and Activity Leader camping will be in sub-camp F. Sub-camp details are below.

Sub-Camp	Theme	Colour	Animal	Location
A	Sturt	Red	Cod	River
B	Mawson	Yellow	Penguin	Antarctic
C	Flinders	Blue	Orca	Ocean
D	Strzelecki	Green	Numbat	Mountain
E	Burke & Wills	Orange	Lizard	Desert
F	Thiele	Purple	Pelican	Coorong

Toilet and shower facilities will be connected to an on-site sewer system. Facilities will be cleaned and restocked twice daily by a contractor. Troop line leaders should notify their Sub-Camp HQ of any issues or restocking requirements associated with toilet and shower facilities.

10.3 SLEEPING TENTS

The Contingent has purchased COLEMAN Chalet 9CV Dome Tents for Scout accommodation. These tents each sleep six Scouts in two separate rooms.

Tents can be organised in Patrols or in age groups. Sleeping Scouts of similar age groups allows for younger Scouts to get more sleep as younger Scouts many tend to sleep earlier than older Scouts. Such an arrangement also allows Scouts some time to socialise with other Scouts in the Jamboree Troop. If you choose to sleep Scouts in age groups, you might like to nominate a Tent Capitan for each tent as an additional youth leadership opportunity.

Specifications of these tents are available at: <https://www.tentworld.com.au/buy-sale/coleman-chalet-9-cv-tent>.

11.2 SPECIAL DIETS

The Jamboree will cater for special diets entered into the Online Application System.

Parents with concerns regarding their Scout's special diet requirements should contact their Jamboree Troop Leader, who will be able to liaise with the Contingent Welfare Director to ensure appropriate arrangements are in place.

11.3 KITCHEN HYGIENE

All plates and utensils are rinsed in hot water before meals are served. A Leader will supervise this, as will an inspection of everyone's hands to ensure that they have been washed with hot water and soap. The use of a sanitizing solution for hands is provided once hands have been thoroughly washed, as it is ineffective on dirty hands.

Strict cleanliness will be paramount especially in the kitchen, food storage and dining area. Needless to say, those involved in the preparation and serving of food will frequently wash and rinse their hands in hot water with soap and a sanitizing solution as well.

All utensils, tables, barbecues will be scrubbed clean using water as hot as possible with appropriate cleaners immediately at the conclusion of each meal or preparation of food.

Provision will be made for ample airing space and easy access storage of mess bags.

11.4 EATING SENSIBLY AT THE JAMBOREE

There will be sufficient food provided at the Jamboree. It will be possible to gain extra rations if necessary from the Sub Camp or Food Distribution Point if the Troop should be running short of food. While Jamboree food has been carefully selected to give a proper nutritional balance, there is sometimes a tendency for Scouts to eat junk food and skip meals. Jamboree Troop Leaders do monitor this situation and advise Scouts accordingly. A lot of energy is used at Jamboree so regular, nutritional meals are prepared to help our Scouts get through the day. A normal day's nutrition covers breakfast, morning tea, lunch, afternoon tea, dinner and supper, and will include fruit and vegetables, cereals and cars, meat and eggs, and plenty of water and other fluid. Parents are encouraged to talk before the Jamboree with their Scout about the need for good nutrition and that they should follow the guidance of their Leaders.

13.2 MERCHANDISE DISTRIBUTION

Jamboree merchandise will be distributed onsite at the Jamboree.

Contingent merchandise will be distributed to Jamboree Troop Leaders at Gear Pack Day on 2 December 2018. Your Jamboree Troop Leader will provide details of when and where merchandise is to be collected.

Contingent members located in regional areas (Albany, Esperance, Geraldton, Karratha, and Newman) received drink bottles and any ordered travel bags or backpacks at the Pre-Jamboree Camp. Remaining merchandise (Contingent shirts and badges) will be sent via registered post.

14 TRANSPORT

The Contingent will be travelling by air from major regional airports across Western Australia to Adelaide Airport, and then by coach to the Jamboree site.

Flights are likely to depart on 3 January 2019 and may return on 15 January 2019, so please allow for travel on either side of the official Jamboree dates.

14.1 FLIGHT TIMES

Please note that the flight times stipulated below are subject to change as a result of airline changes. Changes may also be required to meet Contingent requirements. It is recommended that families plan for their Scout to be on any of the flights outlined below.

14.2 REGIONAL TRAVEL

Arrangements for Contingent members located in regional areas of Western Australia (Albany, Esperance, Geraldton, Karratha, and Newman) will be communicated shortly.

Please note that regional Contingent Members may be required to travel on Wednesday 2 January 2019, and may not return to the regional airport until Tuesday 15 January 2019.

14.3 INDEPENDENT TRAVEL

Independent travel will only be approved in exceptional circumstances. Applications for independent travel will need to be made in writing to the Transport Director by emailing Matt Siddell at transport.aj2019@scoutswa.com.au.

Arrangements for independent travellers will be made available shortly.

15 WELFARE

Parents are encouraged to read through this section with their Scout. To ensure a successful Jamboree experience, it is essential that Scouts are well prepared in regards to personal hygiene.

15.1 REST

Tiredness and fatigue can be real problems for a number of reasons. Fatigue causes irritability and arguments to increase, concentration to decrease and accidents to increase.

Being away from home for a long period of time, being in strange surroundings, over excitement, repeated early mornings/late than usual nights, constant activity, homesickness and pushing to do all of the activities often results in Scouts not gaining enough sleep or rest.

Fatigue symptoms are worse when combined with low blood sugar. If this is happening in your Troop it may be necessary to have a rest hour each day, given snacks in the late afternoon or have earlier 'lights out'.

Fatigue management is also important for Leaders and adults and care should be taken to ensure everyone is eating and resting properly.

15.2 HYDRATION

The combination of heat, sun and activity means that it is imperative for everyone to drink ample fluids on a regular basis each day. Dehydration can strike suddenly and viciously – both for youth and adults alike.

It is recommended that every person drinks at least 2-3 litres per day – but not soft drink, these should be kept to a minimum. Water, possibly with some flavour added or electrolyte drinks, fruit juices and hot/cold tea, coffee or Milo are better alternatives.

Even milk drinks should be approached with caution as milk and lots of activity in the heat can have sickening results with some people. Troop sites should always have a bulk water container filled and freely available for Scouts and Leaders to drink from as necessary.

It should be the responsibility of the Duty Patrol to check on water availability throughout the day. Dropping a few bits of ice in will also help. Make sure that everyone has a drink at meal times and takes a filled water container with them to off-site activities. Carrying a water bottle with you around the site is also an excellent idea.

15.3 SUN SMART

The hot climate and high level of sunshine expected in South Australia in January means that it is absolutely vital for every member of the Contingent to be sun-smart.

A wide brimmed hat should be worn at all times when outside as well as long sleeved collared shirts to protect the back of the neck. Appropriate sunscreen (SPF 15+ or 30+) should be used on the face, neck, ears and other exposed areas. Sunglasses should also be worn.

Singlet tops are not to be worn at the Jamboree.

15.4 STINGS AND BITES

There is a risk of mosquito bites at the site. Preventative measures by Scouts and Leaders to be undertaken include the use of roll-on insect repellents (do not take pressure packs). It is recommended that 'Rid' or 'Tropical Strength Aeroguard' repellents be used and that full cover-up clothing is worn at dusk and onwards during the evening.

15.5 WASHING AND SHOWERS

Troop members will require supervision to get into a regular washing routine at the Jamboree. This must be continuously checked and enforced.

Most Scouts have not developed a personal hygiene routine as it has been done for them at home. The Troop routine will be established from day one with regular times used for showering by the Duty Patrol. Encourage the Troop to shower at the same time and have a Leader on hand to supervise if necessary.

The Jamboree Patrol Leader will monitor and ensure that members of their patrol are showering properly and daily (not in their swimming gear). It is important that the Scouts know and accept that showering in clothes is not appropriate in terms of maintaining person hygiene. Make sure that soap is used and the feet in particular are washed, dried properly and the sparing use of talcum powder is recommended. Showers at the Jamboree will be fully screened and have a separate dry area.

In general: it is important that Scouts are regularly using the toilet, showering every day, shampooing their hair, looking after their feet, eating properly and cleaning their teeth. Particular attention must be paid to making sure that feet are properly washed and are completely dried to prevent infection. Remember that bacteria in faeces that reach the mouth via the hands cause gastroenteritis and/or food poisoning.

Hands need to be spotless while preparing food, and fingernails need to be kept short. The Patrol System will be used for a quick inspection of faces, hands, nails, knees, hair and ears each morning before breakfast. This can give a fair indication if personal hygiene is being attended to properly.

15.6 CLOTHES WASHING

This should be encouraged on a daily basis to avoid being caught out by wet weather or clothes going mouldy in the heat. Be prepared to help Scouts with their washing. Explain why and show how it needs to be done.

Regular Troop washing sessions with plenty of hot water and washing powder readily available are useful inducements. Ample clothes lines and pegs should be provided.

15.7 CARE OF PERSONAL GEAR

Particular attention should be paid to the tidiness of tents and clothing. It can be a real source of irritation for Scouts if they cannot find some of their possessions because others have left things in a mess, especially if they are tired.

Leaders will insist that tents and gear are left neat and tidy at all times. Uniforms should be hung in protective bags, and shoes kept off the ground to dry and air. Food and drink should never be consumed in the tent and never kept there.

Lollies pose a problem and Scouts should be encouraged to be extremely careful, especially with chocolate as it can make a terrible mess if forgotten or not properly stored. Leaders will regularly check to ensure that wet clothing and towels are not put in bags.

15.8 FIRST AID KITS

There will be first aid kits located strategically around the Jamboree site. Any illness, incident or emergency situation should be referred to the medical staff. Minor injuries should be treated in the Troop and Scouts should be encouraged not to go to the First Aid Post for Band-Aids. Each Troop should have a first aid kit readily available at all times.

Kits will be thoroughly checked prior to the Jamboree and replenished as needed. This will be a Troop responsibility, as the Jamboree organisers will not replace items from a first aid kit. Leaders will supervise the use of first aid kits and a Troop register should be kept listing the date, time, name, complaint and treatment given (I3 form). This will help medical staff to better administer care should the need arise.

Leaders must not administer any medications without the specific written permission and instructions from parents/guardians.

15.9 MEDICATION MANAGEMENT

Make a list of all Scouts in the Troop on medication and what drugs they are on. The JTL can access this information from the Online Application System. Troops should use the 'treatment sheet' provided by the Contingent Team to mark off when medications have been taken.

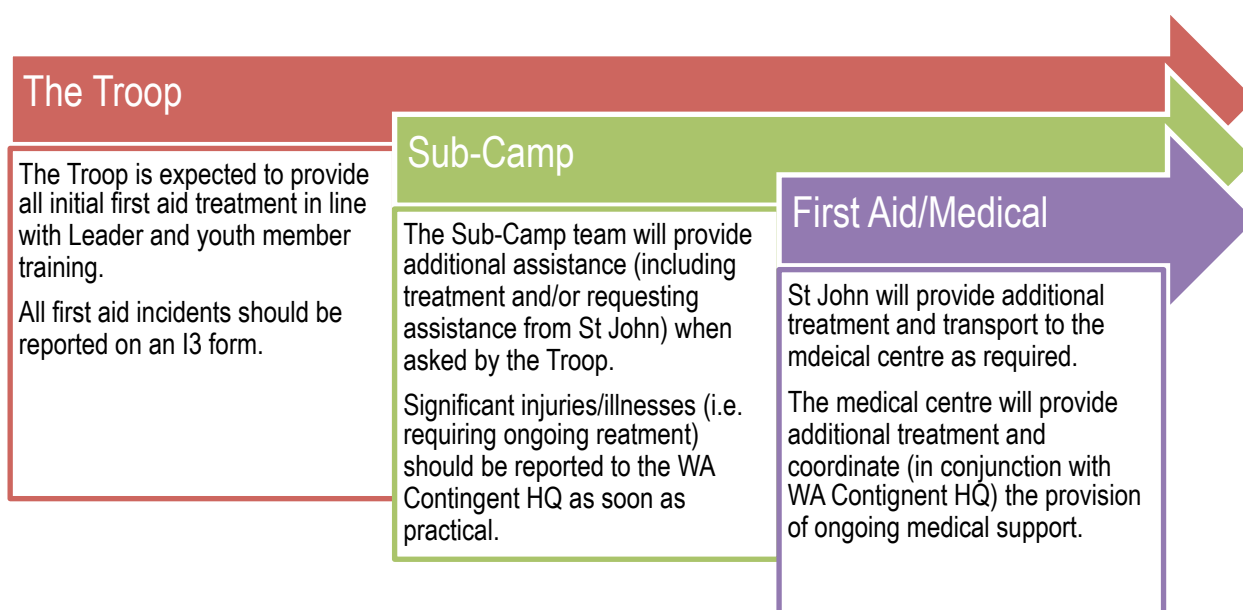

Parents are very strongly encouraged to have medication packaged in a Webster pack to make life easier for Leaders. These are available at most chemists.

Anybody bringing medication to the Jamboree must make sure that there are clearly written instructions about when and how it is to be used included with the medication.

15.10 FIRST AID & REFERRAL GUIDELINES

Leaders will administer first aid in accordance with training received within Scouts Australia and within the boundaries of Provide First Aid Certificate (HLTAID004). The following are to be treated by Leaders:

- Minor cuts and abrasions
- Sprains and strains
- Minor injuries.

The following list provides an indication of medical ailments that require referral beyond the Troop lines:

- Any allergic reaction with an anaphylactic Scout
- Any illness in a diabetic Scout
- Headache lasting more than one hour despite medication
- Any Scout with concussion
- Wounds not able to be covered with Band-Aid or deep wounds with bleeding persisting
- Facial lacerations
- Any Scout with diarrhea and/or vomiting
- Any fever not responding despite medication
- Asthmatic Scout short of breath despite of medication
- Persistent pains (especially in the abdomen)
- Suspected fracture
- Burn on face or large than palm of child's hand
- Any Scout with rash (measles/chicken pox)
- Suspected ear infections

Any Scout displaying these symptoms should be transferred to the first aid post located in the Allawah Mall.

15.11 HOMESICKNESS

Even the veteran Leaders on site will get a little homesick at some point during the Jamboree – usually missing the comfort of their own bed. Your Scout may experience some homesickness as well. The Leaders will be watching out for signs of homesickness so that they can help your Scout have the best possible Jamboree. You can help by not reminding your Scout about how great it is at home and encouraging them to stick with the experience. If you get a call from your Scout try to focus on the fun experiences that they are having, they will have time after the Jamboree to hear all about what you did whilst they were away.

Parents/guardians: please don't expect your Scout to call home each day. They'll have a very full program and won't have time to call each day. There will be queue for the phones at the peak periods, which will create stress for a Scout who thinks mum or dad are expecting a phone call. It's best to have no planned phone calls, and just treat any that you get as a bonus. It's not unusual for phoning home to actually trigger a bout of homesickness.

15.12 KEY HEALTH ISSUES

The key health issues to be managed at AJ2019 will be personal hygiene, heat exhaustion and respiratory issues.

Wind at the site can pick up dust, so respiratory illnesses are a concern. It is imperative that participants bring the medication they need, and their medical records are up to date in the online application system.

15.13 MANAGEMENT OF HEALTH ISSUES

Troop Leaders will be responsible for managing health issues in the first instance. Sub-Camp HQ will provide assistance if Troop Leaders require assistance. Cases will be triaged to Medical Centre, as required. The first aid post is located in the Allawah Mall.

Hospital transfers (if required):

- South Australian Ambulance Service, accompanied by a member of the Western Australia Contingent Team, will transfer life-threatening cases to hospital.
- Non-life threatening cases will be transferred to hospital by members of the Western Australia Contingent Team, in consultation with the Jamboree Executive Committee.

First aid will also be located at some activity sites.

15.14 MEDICAL CENTRE

The onsite medical centre will operate 24 hours for the duration of the Jamboree. The centre will be staffed by 8-12 doctors, 20 nurses and a support team. The facilities will include a triage/waiting area, 4 consulting rooms, 30 bed air-conditioned ward, 30 bed overflow ward, resus area, pharmacy, dedicated toilets/showers, a dedicated kitchen and an office administration area.

Presentations at the medical centre can be via one of the following:

- walk-in independently, or with leader
- arrive via transfer from subcamp
- arrive via transfer with first aid ambulance.

Triage will result in one of the following:

- transfer to waiting room
- a bed in the ward
- the resus area
- returned to their Troop.

The medical centre will have the following capabilities: suturing, dressing burns, grazes, treating sunburn and heat related illness, managing respiratory illness, and managing emergencies prior to hospitalisation.

A medical centre will also be established at Woodhouse. The Woodhouse centre will have 24-hour operation and 4-6 nursing staff supported by an administration team. Capabilities will include dressing wounds, burns, grazes, treating sunburn and heat related illness, and comfort care until transfer back to Tailem Bend or hospital.

15.15 WELFARE SUPPORT

Members of our friendly Contingent Welfare Team will visit each Jamboree Troop daily. They will be able to provide assistance with:

- welfare issues including homesickness and personal hygiene
- liaison with the Medical Centre, including hospital transfers (if needed)
- special diets
- youth members with additional needs.

Members of the Contingent Welfare Team will also check-in on Venturers, Rovers and Leaders engaged in service and activity leader roles throughout the Jamboree.

Welfare support for all members of the Contingent will be provided prior to, during and after the Jamboree.

15.16 RELIGIOUS SERVICES

Facilities for religious services are underway and information as to time and place will be issued once on site. Arrangements to date cover:

- Catholic Mass
- Anglican Service
- Mixed Denominational Service
- Jewish Service
- Islamic prayers
- Other requirements to be organised once known.

16 WHERE CAN I GET MORE INFO?

Your first port of call should be your Jamboree Troop Leader. They have all the specific details regarding your Jamboree adventure.
